MESSAGE FROM THE DESK

It gives me great pleasure to extend my greetings to all stake holders on behalf of the Ethics and Dental Registration Board (EDRB) of the National Dental Commission.

The EDRB, has been entrusted with the responsibility of regulating professional conduct, maintaining ethical standards and overseeing the registration of dental professionals in the country. It plays a crucial role in strengthening public confidence in the dental profession by ensuring that the highest standards of integrity, accountability, transparency and professionalism at all levels of practice and training.

At present the priority of the board is towards advancing the transformative vision - "One Nation One Registration" for all the registered dental professionals in the Country. By establishing a unified, authentic and technology-enabled national registration framework for dental professionals, this initiative aims to facilitate seamless registration mobility across all States and Union Territories, enhance accessibility to registration services while drastically reducing procedural complexities and to ensure greater uniformity in adhering professional regulations throughout the country.

As India moves forward towards the vision of "Viksit Bharat 2047", the importance of proficient and socially responsible healthcare system becomes increasingly significant. We remain committed in supporting this national aspiration by strengthening professional standards, promoting ethical governance and leveraging digital transformation.

This endeavor will succeed only through the collective participation of dental professionals, State Dental Councils, academic institutions, policy makers, and the public. Together, we can build a regulatory ecosystem that reflects the highest standards of ethics, professionalism, and public service while contributing to the advancement of Oral healthcare and the overall well-being of the nation.

I invite all stakeholders to join us in this shared commitment towards achieving ethical excellence, professional integrity, and accountable Oral healthcare system for India.

Lt. Gen. (Retd.) Tapas Kumar Bandyopadhyay
